**VIKING INDUSTRIAL, INC.'S COMPLAINT FOR BREACH OF CONTRACT AND
RECOVERY UNDER MILLER ACT PAYMENT BOND**

Plaintiff, The United States of America, for the use and benefit of Viking Industrial, Inc.,
sues Defendants, Bacik Group Systems, LLC, and Merchants National Bonding, Inc., and states
as follows:

PARTIES

1. Plaintiff, Viking Industrial, Inc. (“Viking”), is a corporation organized and existing
under the laws of the State of Tennessee, with its principal place of business in Walker County,
Georgia.

2. Defendant, Bacik Group Systems, LLC (“Bacik”), is a corporation organized and
existing under the laws of the State of Alabama.

3. Defendant, Merchants National Bonding, Inc. (“Merchants”), is a corporation
organized and existing under the laws of the State of Iowa.

JURISDICTION AND VENUE

4. Bacik is subject to the jurisdiction of this Court because it breached a contract in Tennessee and conducted substantial and non-isolated business activities in Tennessee.

5. Merchants is subject to the jurisdiction of this Court because it breached a payment bond in Tennessee and regularly conducts substantial and non-isolated business activities in Tennessee through the issuance of insurance and bonds within the State, including for the project that is at-issue in this case, which is within this District and Division.

6. This Court has subject matter jurisdiction pursuant to 28 U.S.C. § 1331 and the provisions of the Miller Act, 40 U.S.C. § 3133(b)(3)(B). Additionally, there is complete diversity of citizenship, and the claims exceed \$75,000.00, providing jurisdiction under 28 U.S.C. §1332.

7. The contract at issue was performed in Tennessee at Arnold Air Force Base. Venue, therefore, lies in the United States District Court for the Eastern District of Tennessee pursuant to 40 U.S.C. § 3133(b)(3)(B) and 28 U.S.C. § 1391(b)(2).

GENERAL ALLEGATIONS

8. The United States Government and Bacik entered into a contract, Contract No. FA910116D0003/FA910117F0034 (the “Prime Contract”), for a project known as “Install Backflow Preventers, Phase V” located at Arnold Engineering Development Complex at Arnold Air Force Base (the “Project”), Project Number 407218.

9. On June 9, 2017, Bacik obtained a Miller Act payment bond (the “Bond”) from Merchants with a penal sum in the amount of \$297,919.75, as required by applicable law. A copy of the Bond is attached hereto as **Exhibit 1**.

10. On or around July 10, 2017, Bacik entered into a subcontract with Viking (the “Subcontract”) for Viking to perform certain labor, services, and provide materials (the “Work”)

as reflected in the Subcontract attached hereto as **Exhibit 2** and incorporated by reference into this Complaint.

11. Pursuant to the Subcontract, Viking was to “furnish all labor, materials (including scaffolding and hoisting facilities unless specifically excluded herein) and fully perform and in every respect complete the work described herein including in the attachments for the Install Backflow Preventers, Phase V located at Arnold Engineering Development Complex, Arnold Air Force Base.”

12. Bacik initially agreed to pay Viking \$90,100.00 pursuant to the Subcontract.

13. Viking also submitted Change Orders Nos. 1 through 4 for work authorized, ordered, and necessitated by Bacik. Change Orders 1 through 4 are attached hereto as **Collective Exhibit 3** and incorporated by reference into this Complaint.

14. In addition to the work required pursuant to the Change Orders, Bacik requested further work related to concrete pouring and finishing, which necessitated Viking to engage the services of a subcontractor, MOWA Development, LLC (“MOWA”).

15. The total amount owed under the Subcontract, including work performed by MOWA, plus the Change Orders is \$190,482.14.¹

16. According to the Bond, Merchants agreed to be bound “jointly and severally” with Bacik to make payment to all persons having a direct contractual relationship with Bacik or to any subcontractor of Bacik who furnished labor, material or both in the prosecution of the work provided for in the Prime Contract and Subcontract, in the event that Bacik failed to make prompt payment to such persons.

¹ See Schedule of Values (dated 9/21/2018) attached as **Exhibit 4**.

17. On or around August 2, 2018, Viking completed 100% of the Project's scope of work. The Government has accepted all of Viking's work, and that work was furnished in the prosecution of the work provided for in the Prime Contract, Subcontract, and Change Orders. Viking had a good faith belief that the materials and labor supplied were intended for the Project.

18. Viking timely and properly billed for, but has not been fully paid for, the labor, services, and materials provided to and used in the prosecution of the Project.

19. Viking is still owed the total sum of \$190,482.14 for its work on the Project, which was performed pursuant to the Subcontract and Change Orders and properly furnished for the Project.

20. Viking has complied with all conditions precedent to the commencement of this action, or such conditions have been otherwise performed, have occurred, been fulfilled, or been waived.

COUNT I - BREACH OF CONTRACT AS TO BACIK

21. Viking re-alleges and incorporates paragraphs 1 through 20 above as though fully set forth herein.

22. Viking and Bacik directly entered into a contract whereby Viking would provide the Work as set forth in its original proposal and Subcontract.

23. Viking substantially and fully performed the Work in reliance on and under the terms of the Subcontract, and at the express direction, command, and authorization of Bacik's authorized agents.

24. Viking satisfactorily performed all of its obligations pursuant to the terms of the Subcontract at the direction of Bacik.

25. Although demands have been made upon Bacik for payment of the sums due, Bacik has failed and refused to make such payment. There remains a balance due and owing of \$190,482.14 for Viking's work on the Project.

26. Bacik has breached the terms of the Subcontract and Change Orders 1 through 4.

27. Viking has suffered and continues to suffer financial harm as a result of Bacik's breach of contract.

28. As a direct and proximate result of Bacik's material breach of the Subcontract, Viking has been damaged.

29. Viking is entitled to recover interest on the principal amount of \$190,482.14 for its work on the Project at the rate of ten percent (10%) per annum in accordance with Tennessee law.²

30. WHEREFORE, Viking respectfully requests (i) damages; (ii) court costs; (iii) pre- and post-judgment interest; (iv) attorney's fees; and (v) any such other and further relief as the Court may deem just and proper.

COUNT II - MILLER ACT PAYMENT BOND AS TO BACIK AND MERCHANTS

31. Viking re-alleges and incorporates paragraphs 1 through 30 above as though fully set forth herein.

32. Merchants, as Surety for Bacik created and issued the Bond, which is to comply with the Miller Act (being a "Miller Act Bond") and is designed for the protection of claimants such as Viking for furnishing labor, services, materials and/or equipment, such as the Work and Additional Work, for the Project.

33. Viking has a direct contractual relationship with Bacik.

34. Viking is a claimant under the Bond.

² See TENN. CODE ANN. § 47-14-123.

35. Viking has taken all steps necessary to obtain protection under the Miller Act Bond.

36. More than ninety (90) days have expired from the date that Viking last performed work on the Project for which such claims are made.

37. Less than one (1) year has passed since the last day that Viking performed work on the Project.

38. According to the Bond, Merchants agreed to be bound “jointly and severally” with Bacik to make payment to all persons having a direct contractual relationship with Bacik or to any subcontractor of Bacik who furnished labor, material or both in the prosecution of the Work provided for in the Prime Contract and Subcontract in the event that Bacik failed to make prompt payment to such persons.

39. Viking is entitled to payment from Merchants pursuant to the Miller Act, 40 U.S.C. § 3133.

40. Viking is entitled to interest for a fixed sum owed under an agreement payable upon demand at the rate of ten percent (10%) per annum in accordance with Tennessee law.³ Because, however, the Miller Act does not provide any explicit standards for awarding pre-judgment interest, it is treated as incorporating state law on this issue.⁴ Although Viking has made demands for payment, there is still due and owing the principal amount of \$190,482.14 for the work Viking performed on the Project.

³ See TENN. CODE ANN. § 47-14-123.

⁴ *United States use of Astro Cleaning & Packaging Corp. v. Jamison Co.*, 425 F.2d 1281, 1284 (6th Cir. 1970); *United States use of Seminole Sheet Metal Co. v. SCI, Inc.*, 828 F.2d 671, 678 (11th Cir. 1987) (“[T]he Miller Act does not provide any explicit standards for awarding prejudgment interest, it is treated as incorporating state law on this issue.”).

41. WHEREFORE, Viking respectfully requests (i) damages; (ii) court costs; (iii) pre- and post-judgment interest; (iv) attorney's fees; and (v), any such other and further relief as the Court may deem just and proper.

The Subcontractor shall execute and acknowledge both this Subcontract and said Purchase Order it being the intention of the parties that the terms of both this Subcontract and said Purchase Order shall govern the relationship between the Contractor and the Subcontractor.

Section 2: The Contractor agrees that he will pay to the Subcontractor, in accordance with the provisions of Section 4 hereof (and subject to any increase or decrease resulting from changes that may be agreed to) and subject to additions and deductions as provided for in the Purchase Order, the sum of **(\$90,100.00) Seventy-two thousand four hundred and 00/100** dollars. This price is firm and not subject to escalation.

Section 3: The Subcontractor agrees to begin work as soon as he is notified by the Contractor that the ground is clear or the structure (or structures) is far enough advanced to allow the beginning of that portion of the work included herein, and will carry forward and complete this work as rapidly as the Contractor may judge that the progress of the structure (or structures) will permit. Contractor shall not be liable for any damages that may occur from delays or other causes on the part of other contractors, subcontractors or suppliers involved in work, or the furnishing of materials, pertaining to this project.

Section 4: The Contractor agrees to pay the Subcontractor for periodic estimates submitted, upon receipt of payment from the Owner for the Contractor's periodic estimate in which the Subcontractor's periodic estimate is incorporated. Should the Subcontractor's portion of the Contractor's estimate be reduced for any reason, payment to the Subcontractor will be reduced accordingly. Final payment to the Contractor by the Owner shall be a condition precedent to final payment to the Subcontractor.

Section 5: Subcontractor agrees to furnish, if and when requested by the Contractor, affidavits that all bills for materials and labor have been paid, such affidavit(s) to be supported by receipted bills, if required by the Contractor. Prior to final payment to the Subcontractor, a release of liens and all claims is to be furnished to the Contractor together with any affidavits which may be required. If the unpaid balance under this Subcontract shall exceed the expense of finishing the work, including compensation for additional managerial and administrative services and all other expenses made necessary by the termination of the contract, the excess shall be paid to the Subcontractor. If such expense is greater than such unpaid balance, the Subcontractor shall pay the difference to the Contractor. This Subcontract shall also be subject to termination under the conditions provided for in the Prime Contract.

Section 7: Subcontractor assumes exclusive liability for all contributions, taxes, or payments required to be made because of employees of the Subcontractor by the Federal and State Unemployment Compensation Acts, Social Security Acts or any amendments thereto, and by all other or future Acts, State or Federal, requiring the payment of similar contributions or taxes, and for all sales tax and use tax.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) **Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
 - (b) **County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
 - (c) **Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. **Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
 United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. **Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. **Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. **Origin.** Place an "X" in one of the seven boxes.
 Original Proceedings. (1) Cases which originate in the United States district courts.
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441.
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
